

Michal Matousek

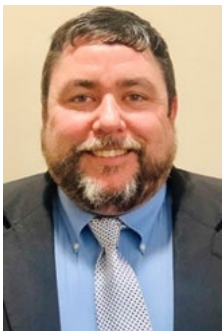

Assistant Director Office of Public Transportation

Michal's role is to establish proper invoicing and accounting principles with all transit providers and ensure that all issues related to funding are properly handled and meet ALDOT and FTA audit requirements. In addition to being an Assistant Director, Michal is also the lead transit auditor and will work to establish means to accurately and efficiently transfer funds between FTA, ALDOT and the transit providers.

Garry Havron

Director, Office of Public Transportation

The role of the director is to manage the program as prescribed by ALDOT's Local Transportation Bureau. Garry handles the day to day operations with agencies across the state. Garry also looks to establish partnerships with other state agencies to promote and increase transit services. Garry Oversees the state Rural Transit Assistance Program (RTAP) that provides training for transit staff. Garry is also a board member of the Transit Association of Alabama.
